

November Information

Children's Programming

Story Time

November 2, 9, 16 & 30

Where's My Sock?—Bubble, Bubble—Happy Thanksgiving Biscuit—Old MacDonald's Farm

Preschool Story Time meets on Wednesday mornings each week beginning with Family Fun time at 9:30-9:50 a.m. Babies to children age 5 are welcome and must have an adult with them.

Classroom teachers and day care workers can call Penny at 262-2409 to schedule a 10 or 10:30 a.m. time for their groups.

Book Connection

November 3, 10 & 17 and Dec. 1

Boats and Barges

Row, row, row your boat... You won't be able to fit inside the boats you make from recycled materials, but they should float, we hope!

Book Connection will be offered on Thursdays from 3:30-4:30pm for students in grades K-5th.

We will have snacks, games, and activities developed around a different theme each month.

Please call Penny at 262-2409 to register your children to insure that enough supplies are available.

We've been re-arranging!

We have moved and shifted some sections in the library. We're always trying to make room for new materials!

We'll be glad to point you to these new areas:

Non-Fiction
Biography
Fiction S-Z

Brown Bag Book Club

Meets the last Friday of each month
Noon—1 PM

New members and drop-ins welcome!

November meeting moved to **December 2**—
March by Geraldine Brooks
Fiction

The Brown Bag Book Club will break over the holiday season. Watch for its return in January!

OverDrive FAQ

What is OverDrive?

It's a software service that the library subscribes to which allows library users to download e-books and audiobooks from home.

Who can use it? Anyone with an El Reno Library account.

Where can I use it? OverDrive is a product you can use on your home or work computer. You'll need internet access and the ability to download and install software. Unfortunately, you can not use the public computers at the library to download OverDrive titles at this time.

Do I have to read/listen on my computer? No, you can transfer your titles to various MP3 players and e-readers. OverDrive's website lists compatible players and readers.

Will the library help me? Sure! Just remember that we're learning too. We hope to offer some free classes about using OverDrive in Spring 2012. Stay tuned!
